I/we agree to the conditions governing tuition and fees of the school as stated below:

1. The parent(s) or legal guardian(s) below shall pay to Stellar Academy tuition, technology fee, and registration fee. The monthly tuition is due on or before the 1st day of each month (September through June). Failure to pay the delinquent installment and late charge by the next installment due date may result in the student's dismissal from the Stellar Academy.

2. The tuition commitment is for the entire school year whether or not the child remains at the school. If a student is withdrawn within the first 30 calendar days, by either party, the contract is not binding. If the student is withdrawn from Stellar Academy, by either party, after 30 calendar days, the parent(s) or legal guardian(s) are obligated to pay the full amount under the terms of this contract.

3. Attendance at Stellar Summer Camp is required before fall enrollment. In unusual circumstances, private Slingerland® tutoring may be approved by Director as an alternative to camp attendance. For enrollment late in the year, 10-20 hours of classroom pull-out tutoring will be required, to prepare a student for classroom participation. In-house tutoring fees are $65/per hour.

4. Summer Camp fees for the summer following any school year are included in the annual tuition cost.
